Your wedding day - Your way

Our Wedding Packages

Menu Choices * Buffet Options * Welcome Drinks

Your wedding is one of the most important events of your life and at Roundwood we can help you celebrate your special day in style by putting together a package within your budget.

You will be surprised at just how flexible we are whether you want a full sit-down, three-course Wedding Breakfast with elaborately-dressed tables, a low-key finger buffet, or something a bit different like a BBQ, or just bangers and mash, the choice is yours and we will be happy to organise it all for you.

For guidance we've included our current Wedding menus and Packages, or let us help you self build your wedding - your day, your way.

Roundwood has a dedicated function room with it's own bar, entrance, pleasant secluded garden and facilities. *All for your exclusive use.*

If your event is too big for the room, we can extend the function area to accommodate up to 250 people.

We hold a Wedding Licence at Roundwood, so for yours and your guests' convenience, your wedding ceremony can be followed seamlessly by your Reception. Roundwood is located in attractive woodlands with stunning views over the Wensum Valley making it a lovely setting for your reception and photographs.

We have invested a great deal to create a venue that is tastefully decorated and furnished, and with a relaxed and friendly atmosphere that will make your day as stress-free as possible. We can also help with other aspects of your wedding planning with our trusted suppliers, who will also help ensure your wedding day runs smoothly and looks stunning.
